

Owen Wagner

Owen Wagner is a Senior Economist for LMC International, a UK-based agribusiness consultancy, where he covers a broad range of agricultural commodities, including North American sweeteners. Prior to LMC, Owen worked for a Cranberry growers' trade association in Massachusetts and for the USDA's Foreign Agricultural Service in Beijing. Owen received his Master's in Agricultural Economics from Virginia Tech and is currently pursuing a part-time Masters in Agricultural Engineering from North Carolina State University. Owen lives in Raleigh, NC with his wife and two kids.
